### OLD BUSINESS

Recording Secretary

Two applicants agreed to \$90 per meeting for transcription of meeting minutes. The board discussed obtaining more modern equipment to record the meeting. Included in that discussion was the need for the minutes to not only be recorded but also typed up as hard copy to comply with regulations.

Mr. Janone and Ms. Williams stated their position that Ms. Palumbo type up the minutes. Ms. Williams stated that Ms. Palumbo was never given a job description so this could be included in her responsibilities. Mayor Holeman corrected that misperception and confirmed that Ms. Palumbo does have a job description for her position with the Board.

Mr. Janone suggests the person retained for transcription attend the meetings in person to take notes. The other Board members responded that previously typing up the minutes did not require attending the board meetings and that it is unlikely that the board would be able to retain anyone if attending the board meetings is a requirement for being paid \$90/per meeting.

### COMMITTEE REPORTS

#### Policy/Administrative Committee

Mr. Janone, Ms. Williams and Mr. Lorenzo met and are working on By-Laws.

Mr. Janone suggests that the Board purchase the following books: A Guide to Planning and Zoning Board Adjustment, Municipal Land Use Law Book, as well as Planning Board Training books. Membership in industry groups should be considered and may reduce the costs of books. Additionally, training expenses for board members should be included in future expenses.

Mr. Janone asked the Board's attorney what would happen if the Board runs out of money. The attorney replied that the Board cannot overspend its budget. Under-spending the budget leaves a surplus in the budget.

A draft of By-Laws is being created by the Committee and will be submitted to the attorney and Board for review.

Motion made by Mr. Cegelka for Ms. Williams to attend an advanced training class and Mr. Lorenzo to attend the mandatory class for total of \$200, second by Mr. Janone.

Joan Cegelka, 23 Franklin Road, Victory Gardens, discussed Notice requirements to the newspaper which Ms. Palumbo confirmed that was being done. Ms. Cegelka reminded Board members that background noise during a meeting (tapping, shuffling papers) will make it difficult for them to be heard on the tape.
